AFFAIR

(PICTURED WITH WIFE CHERYL AND DAUGHTERS LUCY AND SOPHIE)

**MARY (EDWARD'S SISTER) THOMAS, JENNY  
AND MATTHEW RUN THE FAMILY FARM**

**THE GARTHWAITE FAMILY**

The Blacker Hall herd is our pride and joy. Edward's sister, Mary, and her husband, Matthew, run the family farm. During the summer months our cattle are free to roam the fields, when the weather turns colder they are brought indoors to protect them from the Yorkshire winter. They still enjoy a fantastic diet in their winter home, receiving plenty of our nutritious homegrown feed, harvested from our fields towards the end of the summer.

Our expert Butchers carefully dry-age and prepare every joint of beef for you. They love working with our own home-reared beef, and take great pride in the quality of their produce.

# MEET LOCAL BRONZE TURKEY FARMER JOHN WRIGHT

John Wright's family have 50 years experience rearing turkeys at Holme Farm, Hull. John supplies our amazing bronze Christmas turkeys.

Bronze turkeys are a naturally slow growing breed that develop a succulent and fuller flavour than a more rapidly reared bird. Rearing over 1400 turkeys each year, John's birds have the best possible lifestyle. They roam a wildflower meadow with hedges to shelter and forage under.

Dry plucking the turkeys by hand gives them a superior finish, keeping the skin dry and allowing them to be traditionally game-hung for 10 days, intensifying the flavour.

## Turkeys

### THE CENTERPIECE OF YOUR FESTIVE FEAST

You only want the best quality for the undisputed star of the show!

That's why we choose turkeys from tried, tested and trusted Yorkshire turkey farmers John Wright and David Heap.

Even if your plans change, remember all our turkeys are perfect for freezing.

#### CHOOSING YOUR TURKEY WHITE OR BRONZE?

White Turkey – Free to roam in light and airy open barns in Holmfirth, providing lots of delicious pearly white meat with a delicate mild flavour.

Bronze Turkey – A more intense flavour, matured slowly, game-hung and then plucked when they are best to eat. Moist, flavour-packed meat locally reared by John Wright.

#### WHAT SIZE DO I NEED?

Allow around 500g of turkey per person but don't forget to add a little extra for those all important leftovers!

#### WILL I GET THE GIBLETS?

We provide the turkey's giblets in a bag, perfect for making glorious gravy.

## MEET OUR LOCAL TURKEY & GOOSE FARMER, DAVID HEAP

Our White Turkeys are reared by David Heap at Flowery Fields Farm in Holmfirth.

David supplies our Butchers with Turkey all year round, but he starts to increase the volume of chicks at the start of the summer, rearing them from 1 day old to 20-22 weeks, which generally results in a 12lb turkey breast.

David's experienced farm chooses a slow growing breed of bird which results in a more tender meat. Their feed is all natural, and the turkeys are hung for 8-10 days. This helps the flavour to mature.

MARY, THOMAS, JENNY  
AND MATTHEW

Mary and her husband, Matthew, run our family farm whilst her brother Edward Garthwaite and his wife, Cheryl, are responsible for the running of The Farm Shop.

People often ask us, "Where's the farm?". Well, just look around you! The Farm Shop is surrounded by rural land which we use as pasture to grow our feed crops and vegetables. Our animals are free to graze in the nearby fields between here and junction 39 of the M1, but we ensure that they are fed on a mixture of nutritious home-grown cereals and forage crops to guarantee a unique flavour. We truly believe that happy animals give the best quality of meat.

We also grow some seasonal vegetables such as home-grown broccoli and potatoes that can be found in the Greengrocery in The Farm Shop.

## FESTIVE RECIPE

### Tuscan Christmas Pork

SERVES 4

#### INGREDIENTS

1.5kg pork loin  
2 tbsp of fennel seeds  
2 tsp salt  
1 tsp black pepper  
80ml of olive oil  
100ml of white wine  
4 apples, peeled,  
cored and cut in a half

Crush the fennel seeds with the black pepper and salt and massage the rub into the meat.

Wrap in cling film and leave to sit in the fridge overnight.

About 40 minutes before you are ready to cook, remove the meat from the fridge to bring it back to room temperature

Preheat the oven to 180°C.

Place the meat in a deep pan and drizzle with the extra virgin olive oil.

Cook the meat in the oven for about 40 minutes.

When it is crisp and golden, pour over the white wine and arrange the apples all around the pork. Season the apples with salt and pepper.

Increase the oven temperature to 200°C and cook the pork loin for 40 more minutes, checking it once in a while to baste with the pan juices. If the meat browns too quickly, cover it with some foil.

Remove the pork loin from the oven, wrap in foil and leave to rest for at least 30 minutes before slicing. Serve it with the baked apples and drizzled with the pan juices.

## MEET OUR LAMB FARMER GEORGE WOOD

George Wood rears our Yorkshire lamb on his family farm in Carlecotes near Penistone, just 12 miles away. Our Butchers have a strong long-established relationship with George and he's always keen to check out their work when he visits the Farm Shop.

We've won numerous awards with George's lamb, which he believes is down to the quality of the breeding stock, natural feeds, as well as the stress-free life he gives his sheep. This enhances the quality of the meet by ensuring the muscles stay tender.

George's favourite lamb cut? Shoulder of lamb, which is full of flavour as a result in the variation of the meat. Having some fat in shoulder adds to the depth of flavour.

### Christmas Roast Chicken

SERVES 4

- 1.8 kg whole chicken
- 50g butter, room temperature
- Zest from one orange
- Juice of half an orange
- 1 orange halved
- 1 tsp of ground cinnamon
- 1 tsp ground cloves
- 1 tsp ground star anise
- 0.5 tsp bay leaf, finely chopped
- 1 tsp salt
- Pinch of pepper
- 4 tsp maple syrup

Preheat the oven to 200°C.

Mix the butter with the spices, salt, orange zest, orange juice and stir until combined.

Rub 2/3 of the butter mix (RESERVE 1/3 of the butter) under the skin of the chicken and a little over the chicken and inside the chicken.

Place the chicken in a oven proof dish. Rub salt into the cavity and place the orange halves and chopped bay leaves inside the chicken.

Bake in the oven for 20 minutes.

Whilst the chicken is in the oven, melt the rest of the butter in a saucepan and add the maple syrup. Set aside.

Remove the chicken from the oven and turn temperature down to 170°C.

Brush the melted butter/maple syrup mixture over the chicken and place the chicken in the oven again and bake for an additional 80 minutes, or until the juices run clear.
