Taste of Game are passionate about game meat and encourage consumers to eat game through great recipes, special offers and products. Taste of Game informs people about local and natural produce that has been harvested or hunted, encouraging the sustainable, best practice use of a natural food.

There are various leaflets available to download from the website like the Simple Guide to Cooking Game

To order copies of the latest promotional material available please contact Annette.

Taste of Game is supported by BASC with sourcing game meat and the great conservation work which produces sustainable quality game meat.

### Labels.

Being responsible for the whole process, from design to print allows us the opportunity to be very competitive. We guarantee to all members that we will beat any genuine price on a like for like bespoke label.

### Office Supplies.

We stock over 30,000 stationery lines - all available with free next day delivery, no minimum order value and a group discount for all members. If preferred you can order online at anytime.

### EOS - Electronic Office Supplies.

We have our own Cosmos branded toner cartridges that come with a lifetime guarantee that covers the printer as well as the cartridge! They are around 25% cheaper than OEM & offer the same page yield per cartridge as well as free helpdesk support.

### Print & Design.

A complete print solution - We are also able to offer all types of bespoke print, Posters, Floor stickers, Letterheads, etc. Our in-house design team can create anything you need.

### PPE & Facilities.

We have always supplied PPE and facilities supplies, due to COVID-19 we have seen a spike in PPE supplies, but we also stock cleaning and chemical solutions that are available on a free next day service.

## CHIP AND PIN DIRECT

### Chip & Pin, simplified.

#### Are you...

- ? Paying too much for banking and internet?
- ? Unsure who to call when the chip & pin machine isn't working?
- ? Thinking about switching to 4G or 5G?

WE CAN HELP →

#### 4G / 5G Connection

Portable, reliable, secure, and super fast. Take card payments anywhere with a direct connection. No more landlines or dial-up.

#### Fast Support

Card payments not working? Call us. If we can fix the problem remotely, we will. If we need to visit you, we will.

#### PCI Compliant

High security as standard. Your direct connection is secure out of the box, and ongoing PCI compliance is a breeze.

Get a **FREE 4G router** when you sign up for a support contract
