

Q Guild members have been given a great opportunity to tour one of the UK's largest fresh pork producers

North West Region hosts tour to
Cranswick Country Foods
Staithes Road, Preston, Hull, East Riding of Yorkshire HU12 8TB

On Tuesday 19th March at 12 Noon

'Cranswick is one of the UK's leading producers of fresh pork with a proud history of industry expertise alongside a deep understanding of the entire supply chain, from farm to fork. Now employing over 1,000 skilled butchers, they are passionate about staying true to traditional techniques and authentic tastes, whilst constantly striving to expand and improve our market-leading fresh pork range. The processing plant at Preston near Hull kills 30,000 pigs per week, employs 375 butchers and has 18 butchery lines. We will be a taking a tour of the plant to see this in action'

AGENDA

12pm	Welcome, Coffee and Introductions
12.30pm	Factory tour
	Cranswick's New Product Development team talk
	- 'Delivering and Development in 2019'
	Question and answer session
3pm	Brief update from recent Q Guild Executive Meeting
	Any other business or comments.
4-4.30pm	Meeting to close

We hope you can attend and especially we see this as a great opportunity for staff who may not have visited a large processing plant.

Please Note: Places are limited to 20.

We have been asked for all names prior to the event.

Cranswick will provide shoes and coats on the day so please send details with your acceptance

Please let Sue know if you are able to attend by 10th March with shoe and coat sizes
